Due to Covid-19 students will still be required to complete their service hours by undertaking meaningful tasks, with the option of completing all hours physically distanced.

Leadership students are required to complete 20 service hours within the semester (Minimum of 5hrs in school)

*Examples of volunteer hours include but are not limited to: joining a school club - attending club meetings and activities, being on a school team, athletic scorekeeping at home games, Intramural lunch hour/gym setup, managing an athletic team, and being a host or tour guide for school events. The teacher in charge must sign off volunteer hours.

Service hours can also be completed outside of the school in areas such as:

* Visiting the elderly at senior centers, helping in your church or other organization, working at Calgary festivals, or other volunteering opportunities. Please consult your teacher for more information. Volunteer hours must be signed off by the adult in charge, and include their contact information.

Student Support: Students may seek teacher support for leadership assignments/projects during lunch hours on an appointment basis. Students must make arrangements with the teacher at least 2 days prior.

Course Expectations

Students are expected to be respectful of classmates, teachers, equipment, and course supplies. Students must represent the school in a respectful and responsible manner. Please note that Leadership is designed to be an in-person course. Most course materials can be found on D2L; however, it is necessary for students to attend class. It is the responsibility of the student to catch-up on any missed work, including, assignments, labs and quizzes.
